

## Notification of Vacation or Other Absence

As outlined in the Adventures In Learning Childcare Center Parent Handbook, families are entitled to one week of vacation per calendar year during which tuition fees are waived. We understand the importance of taking time off for family vacations and rest, and we are pleased to offer this benefit to our enrolled families.

Please complete the form below to request your vacation week and submit at least two weeks prior to the first effective date.

Once submitted and approved, your child's tuition fees for the designated week will be waived.
